

THE MYSTERY BAG

Before we begin, I have something mysterious inside this bag and I'd like you to try guess what it could be:

(this is useful in engaging young children from the outset. Any object may be used, and you can think of your own clues to get the kids there)

It can be big or small

It can be fat or thin

It shines like a light when I'm in darkness

Its worth more to me than all the money in the world

It guides me when I'm lost

It tells me what's right and what's wrong

It shows me what's good and what's bad

It's a message of love peace and mercy

Muslims believe it is God speaking to them directly

It's the Quran
